## SPECIFICATION SHEET APOLLO - BLEACHED GREASEPROOF 40GM<sup>2</sup>

Apollo greaseproof is a wet strength grease resistant paper. Can be printed.

### Typical end-use:

Suitable for bags and wraps where direct contact with oil or grease containing food can be envisaged.

### Approvals:

The mill is certified according to ISO 9001 and BRC/loP.

### Food Contact Compliance:

The product is suitable for packaging of dry, aqueous and fatty foods up to 90°C. The product is manufactured from virgin fibres.

All raw materials and additives used in production comply with main food regulations.

Approved for direct contact with food by the FDA (USA), BGVV (Germany) and complies with Regulation (EC) 1935/2004 on materials and articles in contact with food.
