### \*Genetic Modification:

*The following information is given to clarify the status of this product with respect to Council Regulations (EC) No 1829/2003 and 1830/2003. Under these regulations ingredients from GM sources of soya and maize must be identified on labelling whether or not there is any detectable GM protein or DNA in the ingredient. These regulations supersede previous regulations which did not require declaration if no GM protein or DNA was present.*

**Soya:** No Soya derivatives are present in this pack

**Maize** No Maize derivatives are present in this pack
