Peanuts				
Soya	X			Exempt: Emulsifier E475 – fully hardened soya oil – processing aid
Milk	X			Concentrated whey protein, skimmed milk powder and whey powder
Nuts				
Celery				
Mustard		X		
Sesame Seeds				
Sulphur Dioxide and Sulphites		X		
Lupin				
Molluscs				

Note: all reasonable precautions that could be expected of a reasonable manufacturer have been taken to prevent cross-contamination in the raw materials used and in the manufacturing process. However, no guarantee of absolute absence can be given.

Genetic Modification

With reference to EU regulation 1829/2003 and 1830/2003; this product does not contain genetically modified ingredients and in addition no genetically modified ingredients are used at this site. All possible precautions are taken to ensure that materials that may be genetically modified are sourced from non-genetically modified sources. This is warranted by supplier declaration or audited supply trail.

	Yes	No	Comments
Is the product produced from genetically modified organisms?		X	
Does the product contain any genetically modified material?		X	
Does the product contain any proteins that have been protein engineered?		X	

RSPO Accredited

Yes, certificate number = MB-RSPO-000522
